BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF MT. OLIVET	)	CASE NO. 9918-E4
NATURAL GAS COMPANY, INC.	)	

O R D E R

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On March 3, 1993, Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") filed its quarterly gas cost adjustment ("GCA"), which is to become effective April 1, 1993 and is to remain in effect until June 30, 1993.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mt. Olivet's notice of March 3, 1993 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on to its customers the wholesale decrease in gas costs from its suppliers in the amount of 79.79 cents per Mcf. Mt. Olivet's expected gas cost ("EGC") for the quarter beginning April 1, 1993 is \$3.2701 per Mcf.

2. Mt. Olivet's notice set out no refund adjustment.

3. Mt. Olivet's notice set out a current quarter actual adjustment in the amount of (12.22) cents per Mcf to compensate for previous over-recovery of gas cost through the operation of its gas cost recovery procedure during the months of July, August, and September 1992. The total actual adjustment of (63.99) cents per Mcf is designed to correct the current over-collection as well as under- or over-collections from the previous quarters.

4. The combined effect of the above adjustments is Mt. Olivet's gas cost recovery rate ("GCR") in the amount of \$2.6302 per Mcf, which is a decrease of \$1.1143 per Mcf from its last approved rates.

5. Mt. Olivet's adjustment in rates set out in the Appendix to this Order, pursuant to the GCA provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987, is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after April 1, 1993.

IT IS THEREFORE ORDERED that:

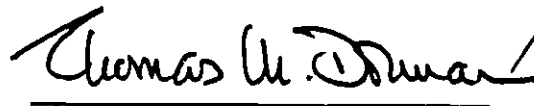

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after April 1, 1993.

2. Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 30th day of March, 1993.
